For club and provincial meets, a swimsuit that covers more of the body such as modesty swimwear or religious cover-ups is permitted providing that the fabric is permeable open mesh textile material and does not give the swimmer an advantage. - MIXED-GENDER:** The host seeks an exemption from the requirement to swim events in gender separated events, on the following basis *(choose appropriate circumstances)*:
- ☒ We are holding mixed relays.
- Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.
- In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc, whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.
- In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.
- ELIGIBILITY:** All athletes must be registered as Competitive swimmers with SNC, or any other amateur swimming organization recognized by FINA. A valid SNC registration number is required for all Canadian swimmers, and entries without a SNC registration number will be declined entry *(choose appropriate circumstances)*:
